Technical Specifications

In the column "Bidder's Compliance", the bidder must state either "comply" or "not comply" against each of the individual parameters of each specification corresponding to performance parameter of equipment offered. Statement of "comply" or "not comply" must be supported by evidence in a bidders bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's or distributor's un-amended sales literature, unconditional statements or specification and compliance issued by the manufacturer or distributor, samples, independent test data etc., as appropriate.

The indication of the word "comply" in the portion opposite the item which is the primary requirement shall mean that all items under the same are complied with.

Should there be discrepancy/ies found during the post-qualification on the bidder's representation of compliance and actual offer vis-à-vis the un-amended sales literature, unconditional statements or specification and compliance issued by the manufacturer or distributor, the same shall be enough basis for post-disqualification.
