Understanding the 2014 Disaster Preparedness Profile

This Disaster Preparedness Profile is produced as a reference-guide for DILG-DRRM Focal Persons in looking at the gaps and in helping the LGUs in addressing those gaps to reduce disaster risks.

The Profile includes basic information on **early preparedness actions** which we expect the LGUs to put in place even before a calamity occurs. This includes the: (1) organization of the LDRRMC and the LDRRMO; (2) Presence of Plans related to DRRM like LDRRM Plan with budget allocation, Contingency Plan, Comprehensive Land Use Plan, and Local Climate Change Adaptation Plan; (3) Systems-in place on early warning, evacuation center management- basic is on identification of evacuation center and system for registration and information guide for the evacuees; (4) Prepositioning of relief operations, medical and security services; and (5) availability of Standard Operation Procedures.

When looking at the Profile, please be guided by the following:

- Benchmark information is available. You may compare the provincewide vis-à-vis the regionwide and nationwide result of passers. We follow the minimum criteria set in the Disaster Preparedness Audit, which is a component of the Seal of Good Local Governance, to determine the passers. The rate of LGU-passers within the province gives an indication whether the province as a whole fares better than the regional or national situation. This would drive you to focus on a province which, most likely, needs more support.
- Profile is ready for each province. Check on the details. The information is color coded. Color “red” indicates *absence* of the intervention while “green” means *presence*. Take note that the Disaster Preparedness Audit basically looks at the presence or absence of the intervention and does not look at the quality or adequacy of the intervention at the moment. Be cautious on the information at hand. It is advised to deepen the analysis to match the support needed by the LGU.
- Take note of the period and manner of assessment. The assessment period was conducted from April to July in 2014 by the Regional Assessment Teams composed of DILG officers with partner-civil society organizations, through a cross-posting mechanism. The scenario might change in a span of eight months. Verify the information.

Seal of Good Local Governance: Disaster Preparedness Profile

2014 Assessment Period

Prepared: March 16, 2015

Summary by LGU Type

	Total Number	No. of DP Passers	% of DP Passers
Philippines*	1,714	1,239	73.93% 
Province*	80	73	94.81% 
HUC	34	29	85.29% 
ICC/CC	109	104	95.41% 
Municipality (1st-3rd)*	780	596	77.10% 
Municipality (4th-6th)*	711	437	63.98% 

Note:

**38 LGUs (3 provinces and 35 municipalities) in ARMM are not assessed because a) LGUs have no IRA; b) peace and order situation; and c) geographical constraints.*
