

# 4<sup>th</sup> QUARTER PROGRESS REPORT FOR CY 2015

## **Executive Summary:**

The Department of the Interior and Local Government (DILG) has been implementing the Performance Challenge Fund (PCF) since 2010 that aims to recognize good governance performance among LGUs and foster the alignment of the local development initiatives with the national goals and priorities. It encourages LGUs to put a premium on performance in order for them to avail the financial subsidy to jumpstart and sustain projects geared towards the achievement of the Millennium Development Goals, Maintain Core Road Network to boost tourism and local economic development, comply with the Ecological Solid Waste Management Act of 2000, comply with the Philippine Disaster Risk Reduction and Management Act of 2010, and promote transparency and accountability in all government transactions.

For more than five years of implementation, starting from its pilot stage in 2010 up to the Calendar Year 2015, the Bureau of Local Government Development (BLGD) thru its Project Management Team has monitored more than two thousand PCF projects nationwide. A total of 2,183 PCF projects were registered in the PCF Portal (<http://pcf.dilg.gov.ph/v3/>) as of 04 January 2016. Out of the 2,183 PCF projects, there are 1,945 completed projects, 138 projects that are still on-going and 100 projects are still complying with the documentary requirements of PCF. (See Table 5)

Projects are under four categories or pillars, as follows: 728 Millennium Development Goals (MDG) projects, 1,115 Local Economic Development (LED) projects, 104 Ecological Solid Waste Management (ESWM) projects 236 Disaster Risk Reduction and Management (DRRM) projects. (See Table 6 & Figure 3)

The FY 2015 Performance Challenge Fund (PCF) amounting to **NINE HUNDRED EIGHTY-TWO MILLION (P982,000,000.00)** has been released to the 2015 Seal of Good Local Governance (SGLG) recipient LGUs (41 provinces, 28 cities and 185 municipalities) in the amount of P7 Million per province, P5 Million per city and P3 Million per municipality charged against the RA 10651 FY 2015 GAA. (See Table 1)

The 2014 Performance Challenge Fund amounting to **FOUR HUNDRED SEVENTY MILLION (P470,000,000.00) PESOS** has already been released to the 248 1st class LGUs (28 provinces, 27 cities and 193 municipalities) who are consistent GFH passers for two consecutive assessment years (2012 SGH and 2014 SGLG-GFH). It was charged against Special Allotment Release Order (SARO-BMB-D-15-0003826) dated March 30, 2015 per FY 2014 GAA, RA 10633. (See Table 4)

## I. PROVISION OF FINANCIAL SUBSIDY TO LGUs

### A. 2015 PCF FOR SGLG PASSERS

The Performance Challenge Fund pursues the DILG's banner campaign on transparency, accountability and good local governance, advocating that transparency and accountability in local government operations will lead to improved service delivery systems and ultimately improve living conditions of the people in the community. Hence, the Department strengthens its campaign to encourage continuous improvement in the performance of local government units (LGUs) by raising the bar of excellence to qualify for the incentive support for local development projects.

Starting CY 2014, the Seal of Good Housekeeping (SGH), the basic eligibility requirement to access the Performance Challenge Fund (PCF) was scaled up to the Seal of Good Local Governance (SGLG), *Pagkilala sa Katapatan at Kahusayan ng Pamahalaang Lokal*. SGLG recognizes good performance not only on financial housekeeping but now includes other performance dimensions that directly benefit the people such as disaster preparedness, social protection, business-friendliness and competitiveness, peace and order and environment and management.

Following these guidelines on SGLG espoused under **DILG-MC-2014-39** and **DILG-MC-2015-36**, the assessment conducted in CY 2014 resulted to the conferment of the **2015 Seal of Good Local Governance** recipient LGUs. In view thereof, the CY 2015 SGLG awardees were declared eligible to access the 2015 PCF incentive in the amount of P7 Million per province; P5 Million per city and P3 Million per municipality as provided under **DILG-MC-2015-78**.

Out of the 254 recipient LGUs (41 provinces, 28 cities and 185 municipalities), 241 LGUs have already completed the documentary requirements and have received the PCF subsidy, while thirteen 13 LGUs are still complying with the requirements as stipulated under **DILG-MC-2015-111**. (See Table 2 and Figure1)
